BARONS EDEN RELEASES NEW AND ELEVATED CORE SPA EXPERIENCES AT HOAR CROSS HALL

Barons Eden, the luxury hotel and spa collection, have released their brand-new spa experiences at their Staffordshire property, Hoar Cross Hall, launched 16th August 2022.

In creating the new experiences, Barons Eden have considered all areas of feedback from guests, in order to enhance the guest journey. From longer spa access times and new spa spaces, to tailor-made packages, they have looked across the board to elevate the spa and hotel experience.

Spa access times have been updated, with overnight guests now being able to enjoy access from 7.30am to 6pm on their second day, allowing them to truly relax and make the most of the extensive spa facilities. The option to upgrade all treatment inclusive packages is also available, so enjoying a well-deserved spa treatment is now easier than ever!

Not forgetting the popular multi-night experiences, these have also been given a facelift to allow guests more time than ever to come and go as they please. From tennis courts and archery, to woodland walks and bike rides (all inclusive of price) there is so much to explore, and the new multi-night experiences will allow guests the time to do so.

A luxurious new Parlour space has opened, boasting twelve stations for mani-pedis and hairdressing. From a 'Bubbles and Blow-dry', to the perfect pedi, this dreamy laidback interior allows guests to have synchronised treatments with loved ones, all whilst enjoying a glass of bubbles, because well, why not?

Planning ahead? Then why not take the opportunity of their all-new advanced booking incentive? This gives you 10% off certain spa experiences when booking 6 weeks or more in advance.
