Mr. Fitzpatrick's

Mr Fitzpatrick began life in Dublin in 1836, where Julia Fitzpatrick created wonderful elixirs, pick-me-ups and tonics at her kitchen table, jotting them down in her closely guarded recipe books. In 1899 the family moved to The North of England, where they established a successful chain of temperature bars serving the local communities their delicious and unique botanical beverages. Things have moved on, but at Mr Fitzpatrick's, we stay true to these traditions using old recipes and newly created flavour profiles, which reflect our heritage but acknowledge the changing trends, continuing to introduce our drinks and their wonderfully versatility to a whole new generation. We are pleased to welcome the Fitzpatrick's family creations to Eden Hall.
