

AUTUMN/WINTER
COCKTAIL MENU

‘WANDLE CHINTZ’ BY WILLIAM MORRIS

This striking, cotton chintz fabric design is filled with the joys of Autumn/Winter days.

Named ‘Wandle’ after the tributary of the Thames which flowed past the Morris and Co. workshop, this particular piece aimed to honour the water that played an important part in dyeing Morris’ famous textile designs.

The original and ornate wallpaper wrapping our grand Ballroom, is that of the prestigious British textile designer, William Morris, and holds a Grade II listing.
